HPD511016 | 12 x 12 HALLOWEEN PARADE COLLECTION KIT

There is something about October nights that feels equal parts chills and thrills, and ***Halloween Parade*** leans right into that feeling. You will notice little nods to spooky vibes woven right into the artwork, balanced by sweet details that keep things cheery rather than eerie. From curious black cats to fluttering bats and candy-filled moments, it all comes together like a cheerful chorus of boos echoing through the designs. The result is a collection that feels festive, familiar, and ready for every memory October 31 brings.
